

La City -

Dear Mama, as I have a few minutes before my next class I'll dash off a few lines, I'm hoping that you have my other letter and I will get one from you this noon -

I was awfully home sick yesterday (my birthday) I cried a lot - Maurice got me a swell fountain pen, I needed one for my work here I was glad to get it - I am taking - @ Psychology, Correction of Speech, + Rhetoric it sure keeps me going I didn't

1300 pupils enrolled -
in one of my classes most
of the pupils are old, teachers
it sure keeps me humping
to keep up -

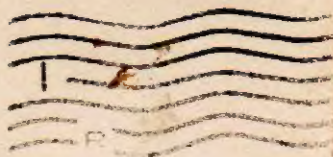

I sure like it here but
I'll be glad to be home
I must go to my other
class now as I have to
walk to another bldg.
and I have only 10 min

realize the work would be so
hard, I put almost 2 1/2 hours
on my Psychology lesson
yesterday - I think I will
take some vocal lessons later

Mr Jessup took Maurice
and I out to a swell dinner
the other night - I told
you all about where
we live and all didn't I -
I am writing this in the
University Library it
surely is a large place
Maurice has to go to class
at 7.0' clock my first one
is nine. There are about
